GHOST  
ART  
AWARD**

**2022 CATALOGUE**

We pay our respects to the Dharawal people who are the traditional custodians of the land, whose deepening connection to culture and customs have cared for this country for over 60,000 years. We acknowledge Elders past, present and emerging for their immense spiritual connection to place which was never ceded.

Dharawal land has always been recognised as a meeting place for people from other lands, and in this spirit we respectfully continue this tradition through the bringing together of our communities through arts and culture.

Always was and Always will be Aboriginal land.

## **CAMPBELLTOWN ARTS CENTRE MAYOR'S FOREWORD**

This year marks an incredible 60th year for the annual Fisher's Ghost Art Award and we are thrilled to have received a record-breaking number of entries in this year's award, more than 1300 across all categories.

In 2022, and in celebration of the 60th Anniversary, the acquisitive Open Award is valued at \$60,000 and has been generously supported by Council, the Hazlett Family in memory of David Hazlett, and the Friends of Campbelltown Arts Centre.

The 2022 Fisher's Ghost Art Award captures the creativity of Campbelltown, the importance of our region and provides an opportunity for artists young and old to present their vision in their own unique artistic style.

Over the past six decades, we have been fortunate to acquire some fantastic artwork for our City Collection, and this year there are some stand out artists again from across the region and beyond.

I would like to thank all artists for their artistic efforts towards this year's award, as well as the three judges, Abdul Abdullah, Anne Ryan and Tom Polo who have generously provided their time and expertise in choosing this year's winning artworks. I would also like to thank all of our generous sponsors, who continue to support the artistic excellence and give opportunity to artists of all ages. Finally, thank you to the Campbelltown Arts Centre staff and the Friends of Campbelltown Arts Centre volunteers Joan Long and Vija Hendricks for their time and efforts in assisting with the award and entries.

I hope you enjoy this year's exhibition and I extend my congratulations to all finalists.

**Cr George Greiss**  
Mayor of Campbelltown

## CAMPBELLTOWN ARTS CENTRE DIRECTOR'S FOREWORD

Each year the Fisher's Ghost Art Award celebrates high quality works from artists who are pushing the boundaries. The success of the Award now in its 60th year, is evident through the high volume of entries received in 2022.

Congratulations to the winning artists and to everyone who has been selected as a finalist. It was an extremely competitive and hotly contested year for the Award. The diversity of artworks and broad spectrum of media in this year's exhibition are testament to the incredible artists that we have working in Western Sydney and across Australia.

At Campbelltown Arts Centre, we are proud that the Fisher's Ghost Art Award has become a significant annual award. With its growing profile, we are also proud that the Award remains a hallmark in the Campbelltown calendar and an important time for the local community to gather and celebrate artistic excellence.

I would like to personally acknowledge the Hazlett family who have generously supported this year's Open Award together with the Friends of Campbelltown Arts Centre and Campbelltown City Council. This support is invaluable to celebrate the Award's 60th Anniversary and to recognise exceptional artistic practice with the acquisitive prize entering the Campbelltown City Council Art Collection.

I also extend a huge thank you to all of the Award sponsors; Marsdens Law Group, Coonamble Shire Council, Nada Aubrey (Fieldhouse), Liberal Party of Australia Campbelltown Councillors, Campbelltown Labor Party Councillors, Macarthur Disability Services, Western Suburbs Leagues Club and Rotary Club of Ingleburn. Without your fantastic support, the Fisher's Ghost Art Award would not be possible.

Thank you to this year's judges Abdul Abdullah, Tom Polo and Anne Ryan for their time and contribution in selecting the winners. This is no easy task as the number of Fisher's Ghost Art Award entries continues to rise each year.

Finally, thank you to Joan Long and Vija Heinrichs for their hard work in running the Award, to the Friends of Campbelltown Arts Centre for their ongoing contribution as well as to the Campbelltown Arts Centre team for delivering the exhibition, programs and opening event.

It is a privilege and my pleasure to welcome you to visit the 60th Fisher's Ghost Art Award exhibition and to join the range of events and programs that we have organised to celebrate this momentous occasion.

## A SELECTION OF WORKS FROM THE MARSDEN COLLECTION

1	<p>Stephen Gorton 'Portrait of John Marsden', 1993 oil on canvas Campbelltown City Council Collection. Gift of Marsdens Law Group, 1993</p> <p>In 2006, prominent Campbelltown lawyer John Marsden bequeathed a collection of more than eighty works to Campbelltown City Council Art Collection. This unique collection which includes paintings and works on paper reflects John Marsden's strong commitment to supporting local artists of the Macarthur region. This portrait by Stephen Gorton pictures John at work and is exhibited alongside John's collection of ducks.</p>
2	<p>'Ducks from the Collection of John Marsden' collected ducks, assorted materials Campbelltown City Council Collection. Bequest of Paul Tosi, 2017</p> <p>Collected over a period of more than 20 years, this selection of ducks was a significant part of John Marsden's collection. Including a range of ceramic, novelty and ornamental ducks, the entire collection includes more than 3000 ducks.</p> <p>What began from a single duck being given as a gift to John, who was touted as a person who was impossible to buy for, then became an ongoing theme amongst his friends and his family that saw John's collection of ducks grow. Upon his death in 2006, the ducks were left to the late long-serving Campbelltown City Council General Manager, Paul Tosi in John's will.</p>
