

KILN FIRING WAIVER

I acknowledge that I have delivered work to Campbelltown Arts Centre in a box with my name and mobile number clearly displayed.

To the best of my knowledge the artwork I have provided is not wet, contains no foreign or toxic materials and is fully enclosed.

I accept that coordinating the firing may take up to 10 work days.

I acknowledge that Campbelltown Arts Centre's will not be held responsible for works breaking in the firing process.
